

# Grief Comfort Kit

## Helping Children with Understanding, Commemoration, and Accommodation

The Trevor Romain Foundation has created a Grief Comfort Kit for kids, centered on the Parents Choice Gold award-winning animated DVD, *What on Earth Do You Do When Someone Dies?*

Using gentle humor, original music and a compassionate storyline, this DVD passes along practical and helpful advice for kids. Children 6 to 12 are enlightened and encouraged as Trevor's characters learn how to move towards grief instead of running away from it.

“The Grief Comfort Kit helps children express their feelings, gives them permission to feel good, helps children know that other kids have experienced what they’re going through, and that they will get through this.”

—Courtney Trimmer,  
Elementary School Counselor

### Grief Comfort Kit Includes:

- Award-winning **DVD**, *What On Earth Do You Do When Someone Dies?*
- Award-winning **book**, *What On Earth Do You Do When Someone Dies?*
- A **journal** for self expression with original artwork and writing prompts
